

HARBOR AVE SW AND SW SPOKANE ST INTERSECTIONS IMPROVEMENTS

Construction starting as soon as June 11

As soon as Monday, June 11*, we'll start construction of safety improvements for people walking, biking, and driving at the intersection of Harbor Ave SW and SW Spokane St. Work will last approximately 6 weeks. During this work, crews will:

- Install a bike-only signal at the northeast corner of Harbor Ave SW and SW Spokane St and bike-only crossing across to the southwest corner of the intersection
- Add a curb bulb at the northeast corner of Harbor Ave SW and SW Spokane St intersection
- Restripe the crosswalks at the intersection
- Replace existing jersey barrier and vegetation along the Alki Trail approaching Harbor Ave SW
- Install a bike ramp on SW Avalon Way at SW Spokane St

WHAT TO EXPECT DURING CONSTRUCTION

- Work will last approximately 6 weeks
- Typical construction hours are weekdays, 7 AM–5 PM, with some nighttime and weekend work
- Temporary lane, crosswalk, and sidewalk closures
- Detours for people walking and biking
- Possible parking and loading restrictions
- Noise, dust, truck activity, and vibration

**Construction schedule is subject to change*

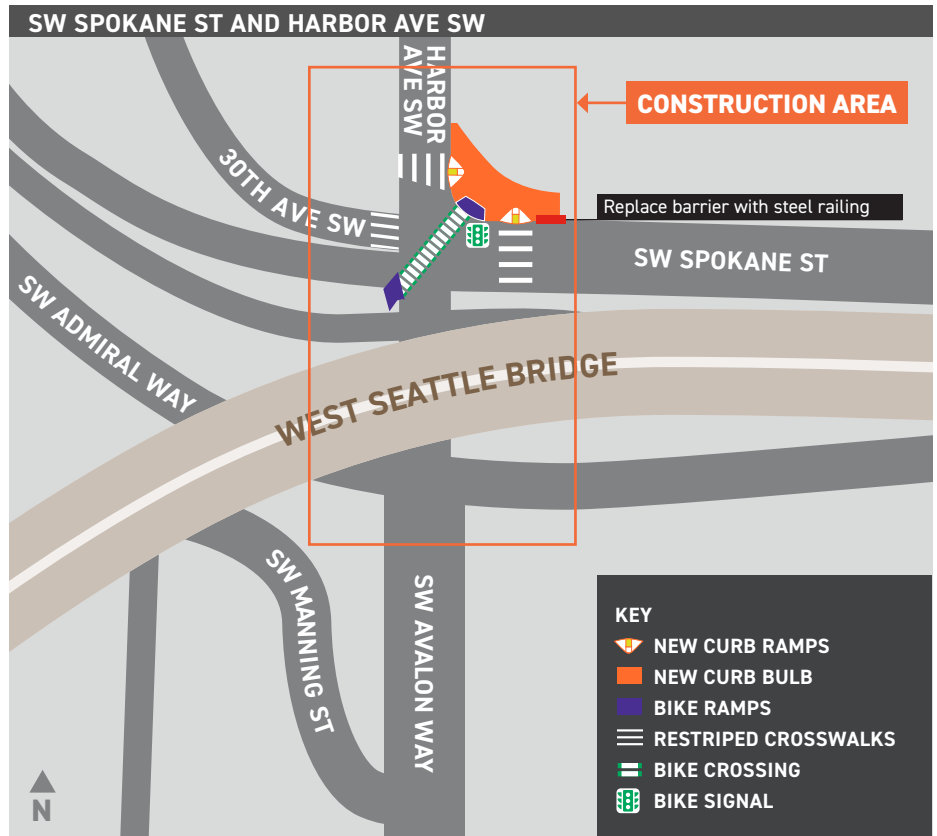

PROJECT BACKGROUND

We're improving safety for people walking, biking and driving at the intersection of Harbor Ave SW and SW Spokane Street in West Seattle. In 2016, the Harbor Ave SW and SW Spokane Street Intersection project was one of 12 selected by the Levy to Move Seattle Oversight Committee to be funded through the SDOT's Neighborhood Street Fund (NSF) program. The NSF program funds projects requested by the community.

DO YOU NEED THIS IN ANOTHER FORMAT?

We're building a transportation project proposed by your neighbors to make it safer for people walking and biking and to strengthen community. To learn more about the project or request translations, call (206) 733-9361.

Estamos construyendo un proyecto de transporte propuesto por nuestros vecinos a fin de que sea mas seguro para que las personas caminen y monten bicicleta y asimismo fortalecer a la comunidad. Para obtener mayor informacion acerca del proyecto o para solicitar transporte llamar a: (206) 733-9361.
